

AT&T Global Supplier Diversity

Engage. Integrate. Transform.

AT&T is delivering the network of the future. Engaging and integrating diverse suppliers will help AT&T transform to a software-defined network, advance mobile services, revolutionize next-generation TV and connect customers with high speed Internet services.

Our Commitment to Supplier Diversity

Diverse businesses add value to our company through their innovation and technology. By identifying and promoting diverse businesses, we're able to deliver world-class products and services that meet our customers' needs.

At AT&T, we look to integrate diverse suppliers in emerging areas of our business that can help take us to the next level. To get there, we seek diverse suppliers that react quickly to change, can sustain exceptional performance, and have the ability to interface with Fortune 500 companies. We identify and collaborate with the next wave of diverse suppliers who will contribute to our business priorities and support our network transformation.

Programs for Success

The key to our Supplier Diversity success are the programs we offer that provide corporate support, build leadership and promote innovation.

PRIME SUPPLIER PROGRAM: Our AT&T Prime Supplier Program is one of the most essential efforts to achieving strong diversity results. Our Prime Suppliers have helped increase the utilization of diverse businesses in our supply chain through subcontracting/ tier 2 opportunities.

AT&T EXECUTIVE SCHOLARSHIP PROGRAM: We provide affordable access to high-quality executive education and training for small and medium diverse business leaders. Our executive sponsorship for business leaders to attend management training assists diverse suppliers in their pursuit of operational excellence.

AT&T BUSINESS GROWTH ACCELERATION PROGRAM: This program is a national education and mentoring course designed to help diverse-owned businesses improve their business operations and increase their abilities to win corporate contracts. The practical, hands-on learning approach enables each participant to immediately apply concepts learned to their individual business challenges.

TECHNICAL ASSISTANCE AND CAPACITY BUILDING: In order to position certified businesses for success, the AT&T Global Supplier Diversity team offers technical and capacity-building assistance to certified micro-, small- and medium-size diverse businesses. These efforts include a mix of classes and coaching, exposure to internal AT&T experts and community leaders, prime-supplier relationships, university programs and AT&T Supplier Diversity Initiatives.
